

# DOES WOOL BURN?

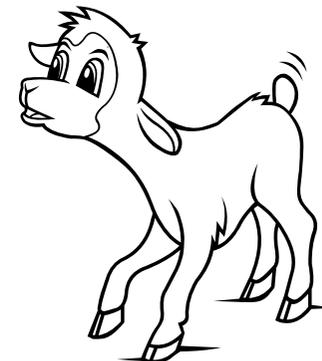

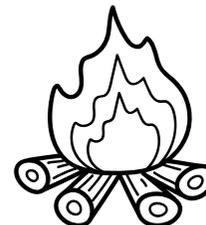

Fabric type	My predictions		My observations	
polar fleece	crumble burn quickly	burn slowly melt	crumble burn quickly	burn slowly melt
cotton	crumble burn quickly	burn slowly melt	crumble burn quickly	burn slowly melt
wool	crumble burn quickly	burn slowly melt	crumble burn quickly	burn slowly melt

Draw a circle around the name of the fabric you think is the safest if there is a fire.

polar fleece

wool

cotton

Name: .....
