Shearing

- **Fleece**: The bulk of the wool from the body.
- **Pieces**: Short or sweaty edges from the fleece.
- **Wig**: Wool from the front of the face.
- **Necks**: Wool from under the chin to the chest region.
- **Belly**: Wool from the belly area.
- **Locks**: Short wool pieces created by shears cutting twice over the same area.
- **Crutchings**: Wool from around the tail and back legs, which may have urine or manure stains.
